

Our Integrated Continuum of Care

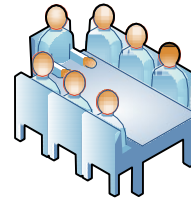

Adult Inpatient Services

Co-Occurring Disorder Unit
340 Thompson Road
Webster

Adult Psychiatric Unit
340 Thompson Rd
Webster

The Inpatient Harrington CDU provides treatment for adults with mental health issues compounded by substance use disorders (16 beds).

The Inpatient mental health unit is a place where adult patients can get the support and treatment that they need in a safe, therapeutic environment (24 beds).

Partial Hospitalization Program

Co-Occurring Disorder PHP
340 Thompson Road
Webster

Mental Health PHP
29 Pine Street
Southbridge

Harrington's two established Partial Hospitalization Programs are typically available after discharge from an acute program or as a diversion from inpatient hospitalization. Our Southbridge location specializes in primary mental health and our Webster location in co-occurring disorders.

Intensive Outpatient Program

IOP
340 Thompson Rd,
Webster

Our Intensive Outpatient Program allows patients with substance use disorder to continue their therapies on a part-time yet intensive schedule designed to accommodate work and family life.
